**Deafness Cannot be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

## WITNESS AGAINST NIGHT RIDERS MURDERED

PRINCETON, Ky., June 10th.—The second attempt to assassinate a witness for the State in the night rider cases, which are to be tried at Hopkinsville tomorrow, was successful. Jules Robinson, a farm hand, was shot from ambush last night on the farm of George Goodman and instantly killed.

That this murder was committed for the purpose of preventing Robinson from testifying against Dr. David Ames of Caldwell county and four alleged leaders of the night riders is generally believed.

## A GOOD LAW

And One Which We Want to See Enforced—No Drinking on Trains

"The new law which provides a penalty for drinking any form of murder juice on a railroad train in this State goes into effect next week.

"It is made the duty of the Conductor of any train on which such an offense is committed to arrest the offender and turn him over to the civil authorities of the county in which the offense was committed."—Flemingsburg Times-Democrat.

This law will fill a want which has long been needed in Kentucky. How many times have the sober, decent passengers on a railroad train been disgusted and outraged by drunken brutes who openly pull out a bottle and proceed to tank up and act in the usual rowdy and ribald manner.

Every train official and citizen should help enforce the law and allow no drinking on trains in old Kentucky

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried remedies after remedies, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the complaint."

GLAD

There isn't a man in the whole wide world Who is quite as proud as I am, The proudest monarch from Edward Rex To the throned throne of Siam— The blood leaps clear through my throbbing veins.

And the bird songs ring in my ears Like the wedding bells of the universe, And I haven't a place for tears!

It's great to be glad, to feel the joy Of knowing that you are living! It's great to drink from the sparkling life That the fountains of love are giving! To walk and talk by the flowered way, Caressed by a whispering breeze, Hearing the music that grandly sweeps Through the lyric limbs of the trees!

"Live, laugh and love!" It's a world of joy To him with a gift for dreaming! A million fairies are spreading roses Where dew like jewels are gleaming! It's a mighty fine world, full of mighty fine folks.

And only the sinner is sad! I'm glad I'm living, I'm glad you're living, And I'm glad that you're glad that I'm glad! —St. Paul Dispatch.

**Don't Bother About Coal Sizes**

At all. Just tell us what use you want to make of the coal and we'll take care of the size question. If that bin of yours is getting low, better order us to fill it up right now. The longer you delay ordering, the bigger your chance of finding the bin entirely empty some day just when you need coal and need it badly. We've been there.

It was simply a case where the best clothing manufacturers in Cincinnati, on account of the protracted cool weather, were unable to unload, and owing to our present price reductions, having pretty well sold up on this class of goods, we made a spot cash offer to close the entire lot, knowing that our people know values and that at the price we offer them they ought to be closed out in ten days. They come in all sizes, but we advise you to come at once in order to secure your size. **NONE WILL BE CHARGED, and all alterations will be charged for just what we pay to have it done.**

SUICIDE

Newman Mason, An Eighteen-Year-Old Youth, Shuffles Off This Mortal Coil

Newman Mason, aged 18, committed suicide last evening about 5 o'clock by shooting himself through the head.

Young Mason was employed as a hand on the farm of John Coffey near Needmore. Last evening he came in from the barn, went upstairs to his room, and while standing before a looking-glass deliberately shot himself through the head, dying almost instantly.

The boy was of good and moral habits and no cause can be assigned for his rash act unless it was brooding over the accidental killing of young Mitchell over a year ago while out rabbit hunting near Washington, which was purely an accidental affair in which he was freed from all blame.

His mother lives at Washington and his sister, Miss Della Mason, is employed in this city Wallace's restaurant; besides, he has a married brother residing in the county. Coroner Charles Slack viewed the body and after hearing the testimony of the jury rendered a verdict of premeditated suicide.

CUT DOWN EXPENSES

Prices of household supplies of all kinds are very high, with no prospect of relief. There remains one way in which to cut down expenses, and that is to equip the house with the very best modern conveniences, which render the employment of help unnecessary. Time, labor, health and nerves themselves are saved by this policy. In the kitchen, for instance, Hoosier Kitchen Cabinet saves miles of walking and hours of time.

It is rather strange that the Democrats of the Lexington District have just discovered that J. CAMPBELL CANTRILL has so many shortcomings. They now claim that the wily CAMPBELL is a "lobbyist, a friend of the Louisville whisky ring, an enemy of the Burley Society, and that he is as crooked as a rail fence." To many, Mr. CANTRILL has always been known as an arch hypocrite and an all-around cheap country demagogue. However, Mr. CANTRILL has always found the Kentucky farmer mighty easy picking.

DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it relieves that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.
